SOUTH CAROLINA CIVITAN DISTRICT

Palmetto Civigram

Governor's Message– Bill Tolleson

Greetings! from 'Just West' of the Capitol. **Thank you!** Thank you for your on-going service to your communities! Thank you for your generous hospitality! I've been privileged to recently visit with most of you and install your 2015-2016 Club Officers. It is a pleasure to participate with you at the beginning of Our Civitan Year! Great beginning! Great fun! Great food! **Thank You!**

Hilton Head Club, Charter Meeting, October 1st 2015. Hilton Head is our newest club and has become our largest club. I challenged Hilton Head; "Build another new club in your area while you have all this momentum going." Hilton Head Civitan began with 140 Facebook contacts. A Great Way to Start the New Civitan Year. **Keep that momentum going**!

Please Update your email address and cell phone number (short text updates. **Being Informed Creates a sense of Human Value.** Value Creates Enthusiasm. Enthusiasm Grows Clubs. Enthusiasm Builds New Clubs. **More Civitans help more people with Developmental Disabilities**. ***MY EYES look for others to join…(see Sevi-social media write-up for help)***

New Charter Club at Hilton Head– 49 Members

Civitan was founded almost 100 years ago and arrived in South Carolina in 1922 but, hadn't made it to Hilton Head Island until September 28, 2015when the Hilton Head Civitan Club was chartered and became the newest club in our District. Club building efforts in the district have been disappointing over the last 10 years and yet this new club is poised to become the largest in our district. A few years ago Beth Doudoukjian accepted a job offer in Hilton Head. An active member of the Dutch Fork Club, she became less active since the closest club was in Walterboro but continued her Dutch Fork membership. Her father, Steve Doudoukjian, told her not to worry. Someday, we'll start a club in Hilton Head. A seed was planted and cultivated through an event known as the Ugly Christmas Sweater Bar Crawl, a way to liven up a slow Saturday night in December, which proved that everyone could have a great time while helping others.

That seed really began to take root when several Hilton Head residents and friends of Beth visited Columbia to participate in the Civitan Cornhole Classic in April. Steve discussed the potential club with Mike Taylor, recently named Field Director for South Carolina, and they decided to start pre-charter meetings in August with their goal to charter before the end of September. Beth set up a facebook event to invite potential members and 10 people committed to joining the club at the first meeting. Governor Misty Konow, Beth, Mike and Steve agreed to attend weekly pre-charter meetings with a goal to sign up 30 members by the September District convention.

Membership grew at each meeting and Charter members were anxious to do things of service to others. The first service project was collecting supplies for the Beaufort County Child Abuse Prevention Association. Charter members also volunteered at Special Olympics North American Golf Championships and at Pedal 4 Kids for the Boys & Girls Club of Hilton Head. All of these projects occurred before the charter date.

The Hilton Head Civitan Club officially chartered on September 28 with 48 members and held a charter celebration dinner on October 1. By the end of the charter dinner the new club had 49 charter members. Charter President Mark Yarbrough said "Our new Civitan club is an exciting opportunity to get involved, meet new friends and do great things in our community".

Charter President-elect Beth Doudoukjian wants to invite all Civitans to the Ugly Christmas Sweater Bar Crawl on December 12. "It's our biggest event so far and it's going to be lots of fun. Everyone is encouraged to wear their "ugliest" sweater or outfit and help raise money to help people with autism."

Congratulations to club builders Beth Doudoukjian, Steve Doudoukjian, Mike Taylor and Governor Misty Konow and to Charter President Mark Yarbrough. It was truly a team effort but Beth Doudoukjian was the key club builder that kept the momentum going. It was through her efforts that most of the members were contacted and she lead the way by sponsoring 20 charter members.

- Article by Steve Doudoukjian

Hilton Head Kicks Off!

The Hilton Head Civitan Club is only a month old but committed to starting off on the right foot. In addition to our membership drives, we've already actively participated in a number of community service projects and fund raisers. We initiated a drive collecting supplies for the Beaufort County Child Abuse Prevention Association, volunteered at the North American Special Olympics Golf Challenge, and participated with The Boys and Girls Club Pedal for Kids Community Bike Ride. In addition we created an online campaign raising over $500 to help the SC flood victims and had members tough out a rainy Saturday with the Walk to End Alzheimer's. Our efforts will continue in November as well with a Hilton Head Civitan team participating in The Torch Relay 5K to benefit the Children's Miracle Network.

As active as we've been with community service projects, we've also been working to increase our fellowship amongst ourselves. A group of Civitans and prospective members took a road trip to Beaufort to support the Child Abuse Prevention Association's Haunted Ghost Tour. It was a fun night and really allowed us to get to know each other better. We also held our first social meeting and invited guests from The United Way to speak and accept the "Big Check" from our SC Flood Relief Drive. It looks like we will gain at least 2 new members from that night and also volunteer to support the United Way's Tutoring Program in Beaufort County schools.

With all the projects we've been supporting, it's clear our membership is eager to help. As we build our committees and process ideas from our membership, we establish our identity and direction. Our PR committee has been busy updating our Facebook, Instagram and Twitter accounts with information, pictures and content while our website was developed with an online store and a digital membership application. Our T-shirts have arrived and we will begin branding ourselves within the community at every event. We've capitalized on local PR with TV appearances, media inclusion and shameless self-promotion. The entire chapter is working hard to publicize and communicate the dedicated spirit of the Hilton Head Civitan Club and build on the goals of our International Organization. I can't wait to see what we accomplish in our second month!

- Mark Yarbrough, Charter President, Hilton Head Civitan Club

Region 2 Director Notes– Lura Boggs

As this newsletter goes to press the first International Board meeting for this Civitan Year is taking place in Birmingham. We will be discussing many new items and upcoming projects for the next 3 days. Growth and retention will be upper most in our minds.

I want to encourage all our South Carolina Civitans to start planning now for our International Convention in Norfolk, VA. This is the closest Convention in our part of the country in a long time. It will be a wonderful time to meet and greet Civitans from all over the world. Our Conventions are always a fun and enjoyable time. You may make a friend who will be your friend for the rest of your life. You'll have the opportunity to learn more about Civitan around the globe and how other Clubs and Districts work. It would be great to have a "bigger than usual" group of S. C. Civitans at this Convention.

Congratulations to the whole District on building a new club on Hilton Head Island in September. All our new members will add much to our Civitan work. They are a very friendly group and you will want to get to know them. Thanks to Beth Doudoukjian, Mike Taylor, Steve Doudoukjian and Misty Konow for being the Club Builders. Great Job! Well done!

Please think of another place in South Carolina where we can build a new Club. We need to build 2 new clubs this year so our District will continue to be a growing organization. Remember non Civitans don't understand that they NEED to be a Civitan. You can help them to understand. Let's Talk Civitan!!

Greenville Provides HOPE

The Greenville Civitan Club donated $2,000.00 to the Project HOPE Foundation.
Susan Sachs, Executive Director and cofounder of Project HOPE stated "Project HOPE Foundation is an Upstate non-profit organization that provides a lifetime of services for the autism community. When Project HOPE Foundation opened its doors in 1997, the rate of autism was 1 in every 2,500 children. Today, that rate has skyrocketed to an alarming 1 in 68 children, 1 in 42 boys. Project HOPE Foundation operates nine programs that cover the breadth and depth of autism spectrum disorders, from the point of diagnosis through meaningful adult day programs and employment. Project HOPE Foundation currently serves over 250 children, youth, and adults throughout the Upstate through educational, behavioral, vocational, and vocational programs and provides comprehensive workshops for parents, caregivers, and professionals throughout the state." The $2,000 will cover the cost of the Project HOPE's "Extended HOPE" program for a year. Extended Hope is a social program designed to help teenagers and young adults on the autism spectrum acquire and maintain real-life skills that lead to a more independent lifestyle.

Rock Hill Civitans Rock Their Community

Rock Hill Civitans have been plenty busy and their community service is evident for a few of their recent projects. Among their favorites, Plentiful Harvest Kitchen is a wonderful project! Every Sunday, from 4-6 pm, the hungry can come to the kitchen and eat to their hearts' content! Throughout the year, volunteers, churches, and organizations like Civitan man the kitchen. They cook, serve, feed and talk with all who come. The meals vary depending on available food but they are always nutritious and filling! The third Sunday of every month, a bus load of children also come to eat. This group is known as Kids For Jesus. They are picked up from the impoverished parts of town and brought to the kitchen to eat. These 60-80 children usually do not have food at their homes and go throughout the weekend starving. Rock Hill Civitans feel privileged to be able to serve those in need and know they made a difference!

Near and dear to the hearts of the Rock Hill Civitans is another favorite: Kool Kids Toy Chest. Originally started by a pediatric nurse from Fort Mill, this project is now coast to coast! The Kool Kids Toy Chest is filled by local volunteers and organizations like Civitan. Children that are hospitalized are given a golden key to unlock the chest after an invasive procedure. The items in the chest must be new as the children are immuno-compromised. The items donated should also be for children ranging from infants to age 16. Rock Hill Civitan donates toys twice a year, May and October. They specifically pick these months as the chest is often in need of filling between holidays. It's a great way to put a smile on your face and warm your heart!

Tee Off 4 the Disabled

On Columbus Day, The Greater Charleston Civitan Club held the 4th annual golf tournament to assist the intellectually disabled of the low country. At the recently refurbished Crowfield Golf Club, golfers enjoyed a fun day on great links and an enjoyable lunch along with a silent auction and raffle. The proceeds will go the disability boards of Berkeley, Charleston, & Dorchester Counties to help to provide services for the intellectually disabled. Another example of Civitans in action, the Charleston club is doing all it can to be of service to the community.

Greenville Helps Boost School Start

Michael Budd, Greenville County United Way representative attended the Greenville Civitan August 3 meeting to collect the school supplies donated by the Club and its members. Greenville Civitan has been a supporter of the School Tools program for about a decade. Michal Budd informed the attendees that the School Tools program is focused on giving disadvantaged students a cycle of success. Their objective is to provide school readiness and allow students to begin the first day of school with the tools they need. In all, forty-three bags of school supplies were donated; fifteen from Greenville Civitan proper and an additional twenty-eight bags from individual members.

Michael Budd [l] with Civitan Sam Bennett [r]

Greater Charleston's Summer Sizzler Dances

The Greater Charleston Civitan Club hosted dances for the end of summer, Summer Sizzlers, for the disability boards of the Lowcountry. On September 15th, they brought their DJ's music, pizza, sodas, and fun to the Berkeley, Orangeburg, and Dorchester Counties Disability Boards in Monck's Corner, then they repeated the process on September 17th at the Disability Board of Charleston county! All together over 450 intellectually disabled were able to dance, sing, smile, and cavort to the bright lights & pounding sounds of Steppin' Out Music! The cadre of volunteers managed to keep the pizza stocked and sodas flowing so the crowds could be fed & watered during breaks from the floor.

And of course there are the raffle prizes that they cherish and, even more exciting, the process of picking the lucky ticket holders…..but by the end of the night they are all WINNERS! The best metrics of success are the hugs, smiles, and good wishes from the attendees…..and there sure were an abundance of those. The volunteers walked away after the evenings with a lighter step, despite being on their feet for 4 hours, and a light heart. Now time to plan for the Christmas Dances and Santa's arrival!

SC District Convention

Gov. Konow brings the SC District Convention to local TV

The SC District Convention was held from September 11-13 in Rock Hill at the Holiday Inn and was packed with a mix of fun, education, laughs, and memories. Gov. Misty Konow kicked it off as the close of a great year for the SC District and Rock Hill Mayor Pro Tem, Jim Reno, gave us a quick history lesson of the area and the achievements of late in building a fine community. Indeed the sparkling buildings and new landscaping around the convention venue gave testimony to the expansion of business and community in the region. After that tour, Jim Seeley took on the job of memorializing Civitans of the District who have passed on in the last year. We gave quiet farewell to our friends and neighbors from Civitan clubs across the state. After that, the atmosphere gave way to a bright note of reviewing activities in Civitan International [CI] and Civitan clubs around the world. John Rynearson, Executive Vice President of CI, was on hand to lead us through this presentation and provide first hand testimony on the role of Civitan in communities worldwide…..Civitans truly represent good citizenship around the world! He went on to present CI Awards for 2-15 for the 1st Place Club Website to the Greenville Club and the 3rd Place District Newsletter Award to this Civigram.

Rock Hill Mayor Pro Tem, Jim Reno, welcomes SC Civitans to his town

The Friday night festivities included a Civitan Casino Night and a chance for attendees to "gamble" into the wee hours of the evening. On hand was Elvis….yes, he was indeed "in the house". However there were so many of them, that the true Elvis managed to remain incognito; Frank Konow came awfully close to getting mistaken for Elvis as long as he didn't sing! The event was a hit and provided a fun evening between the business meetings which picked up again on Saturday morning. The SC District Awards for 2014-5 were given out by the Awards Chair, JoAnn Botko [see page 9 for a list if you missed it]. Lana Suggs stopped in to present herself to the membership as a candidate for the Region 2 Director to CI next year; election for that position will come at next year's CI Convention as Lura's term in that office expires.

Linda McCallum [l] jumps for joy with $500 donation presented by Gov. Know [r]

The session continued with 2 excellent outside appearances. First Linda McCallum gave us a glimpse of the work done by the volunteer group The First Thursday Club. They perform an admirable service to the intellectually disabled and take them to a long list of events & activities around the area. Their service to this community of disabled is hard to match and Gov. Konow presented them with a check for $500 from the SC District to assist their efforts. Next as Jim McIlrath discussed the Special Olympics committee he chairs, Kathy Covington and Joshua Myers from Special Olympics came up to present. Kathy left it to Josh, a Special Olympian himself, to present the role it has played in making his life meaningful. Josh had a smile that filled the room and was almost as big as his 6'8" weight lifter's frame! He fondly likes his nickname: the "gentle giant". His chuckles and jokes brought all of the attendees a smile, if not outright laughter, and touched each of us. While it was hard to follow that, the SC District Jr.. Civitans managed to do it just fine. Jr. Gov. Dillon Patel and Gov. Elect Seth Phillips flanked the CI Jr. Civitan District Trophy that was awarded once again to our Jrs. What an impressive group of young achievers and citizens. Their many projects add immensely to the quality of life of the disabled & disadvan-

SC District Convention Cont'd

2015-2016 Officers, Directors, & Committee Chairs flank incoming Gov. Bill Tolleson

Above Jr. SC District Civitan Gov. Dillon Patel explains their successful year as Seth Phillips looks on with the CI Jr. Civitan District Trophy for 2014-5.

Below John Rynearson, CI Executive VP, addresses the convention

taged in this state.

The session continued with an update by Lura Boggs of the Region 2 participation in CI and the objectives going forward for Region 2. Gov. Misty then led the attendees through the election of the 2015-6 SC District officers, directors, and budget. Following that the incoming Gov. Bill Tolleson to take on the job of providing his message for the SC District for next year and the expectations he has for all of us with the new theme: "You are the Key to Success". Perhaps one of the best pieces of new news was the work of a Club Building effort led by Mike Taylor resulting in a new clun starting in Hilton Head in October and starting with >30 members….great work from this team effort. After updates from a variety of committee chairs, Gov. Konow then provided the State of the District address and a good year it has been!

The day closed with the Awards Banquet and a great filet steak dinner. Listening to the presentation by Gov. Konow, John Rynearson of CI, and incoming Gov. Bill Tolleson was enlightening and fun over an excellent meal. Finally the incoming slate of officers and directors was installed and the major awards were distributed. The Otis Jeffcoat Award went to Robin Vreeeland of the Myrtle Beach Club for all the exceptional work she has put in for Civitan at club and district levels and the accomplishments she has racked up. Then the lifetime achievement award, the John Doudoukjian Award was given to Wanda Simpson of the Rock Hill Club for a lifetime of achievement and support of Civitan activities and projects. These recipients are great examples of Civitans at work. Lastly the Governor's Trophy for top club in the SC District was given to the Dutch Fork Club for their work and accomplishments in 2014-5! Congratulations to all these recipients.

Gov. Misty Konow [r] passes the gavel to incoming Gov. Bill Tolleson [l]

Gov. Konoow [r] presents the Governor's Trophy to the Dutch Fork Club as John Rynearson [l] of CI and Lura Boggs, Region 2 Director, look on

Editors Notes

Well we're kicking off a new Civitan Year for 2015-6. In the SC District, Gov. Bill Tolleson is at the helm and each of us is a "Key to Success". So let's share our experiences and lessons learned for all the District to utilize. We hope to publish news from as many SC District clubs as possible this year in the Civigram so please send me the stories of what is up in YOUR club and let me know what you like, dislike, or want to see in this newsletter….YOUR newsletter.

In this first issue of the Civigram, we have attached all the contact information for the District that you will likely need during the year and also the SC District Calendar with key events. From now on, each issue will contain a portion of the calendar so you can keep appraised of what is on the agenda. Try to make time to attend the District Meetings and convention; put them on your schedule now. We look forward to seeing you at future meetings and ask your help in finding ways to improve our outreach to the communities we serve. Thanks for your hard work and all you do for your local com-

WHAT IS CIVITAN?

Civitan is a worldwide, all volunteer service organization where men and women have an organized way of approaching local community problems through service and fund raising.

We emphasize serving people with developmental disabilities. Local clubs are supported by Civitan International, which was organized in 1917 and spans over 24 countries. The word CIVITAN is a coined word that comes from the Latin word "CIVITAS", which means **CITIZENSHIP.**

"Generally speaking, you aren't learning much when your lips are moving"
